

SENATORS: WHERE DO YOU STAND ON MUSLIM BAN?

President Trump's executive order suspends resettlement of refugees and bans the entry of nationals from seven Muslim-majority countries. **It is a Muslim ban wrapped in paper-thin national security rationale.** Many senators have said so – but many others have stayed silent.

We need ALL senators to know where we the people stand on prejudice by executive order. Send a message to your senators now to urge them to stand firmly on the side of the Constitution – and fight the bans against refugees and Muslims.

Trump's executive order banning all refugees and people from seven Muslim-majority countries does not represent American values and violates our Constitution. Denounce President Trump's unconstitutional Muslim ban immediately and publicly. We the people will not stand for prejudice by executive order.
